

TRANSITION 101

Bridging high school grads
to their next faith community

Visit the campus with your grad. Let us know when you're going and one of our campus reps will meet you personally.

Bring your grad on May 30 to Wycliffe College to meet others going to the same campus as them in September.

Connect digitally. Send us your grad's contact info and one of our campus ministry reps will connect with them personally.

"Young adults who had had a connection made for them by someone from their home church were roughly three times as likely to go on to connect with a new local church after moving out of their parents' home."
